

The 2015 Operation Christmas Drop

Japan Air Self-Defense Force, Royal Australian Air Force and U.S. Air Force began spreading cheer and joy while practicing critical humanitarian aid/disaster relief (HA/DR) training by delivering donated goods to the Pacific's most remote islands including those of Micronesia.

The 2015 Operation Christmas Drop officially kicked off Dec. 8 at Andersen Air Force Base, Guam.

In addition to delivering critical supplies to those in need, Operation Christmas Drop provides specific training to all the allied aircrews. These activities also deepened the relationship between those 3 countries.
